ESSEXPLANT

This industrial grade roller cabinet was designed, tested, and built to last. This unit gives you the flexibility to organize a wide variety of tools with narrow, wide and extra-wide drawer options. The industrial paint finish is durable, easy to clean and looks great in any garage.

- High capacity, full extension ball bearing drawer slides/three section sliding system. Double slides on large drawers.
- All welded steel construction
- Industrial paint finish resists rust
- Secure detents keep drawers closed
- Heavy duty
- Non-slip pre-cut drawer liners in all drawers
- Lock keeps your tools safe and secure

Production process: Cutting-bending-welding-powder coating

Anti-corrosion Treatment: Degrease →descaling→phosphating→powder coating.
